

AFIRE™

LEADER TIP #1

SPREAD THE WORD!

Distribute the darker AFIRE™ brochures (image above) to let those in need know that your group exists. You may want to leave some on a table in your church, distribute them to recovery centers, Catholic Charities, Salvation Army, etc.

There are many in need who don't know where to turn for support. They will be grateful that your group is there to offer whatever support your group chooses to implement.

More brochures can be ordered from the AFIRE™ store in the leader's portal online.
