

AFIRE TIP #17

Spiritual Works of Mercy

Start a Book Study Group

The pandemic has posed great challenges for everyone, and your AFIRE group is certainly no exception. Many of us have been waiting patiently, thinking that things would soon return to “normal.”

Let’s wait no longer! Now is a great time to tap into the creative power of the Holy Spirit and to think outside the box!

The AFIRE portal includes a page with many book recommendations. View the book list [HERE](#). Why not consider a Zoom book study to get the conversation going?

There are so many struggling with addictions, in early recovery, or are trying to love and support a friend or family member. These books provide some great tools and ideas to open up discussion..

Remember, spiritual works of mercy occur whenever we reach out to help others in their spiritual needs (instructing, counseling, comforting, etc.).

This tip is just one way to provide (and receive!) spiritual support. For more on the Spiritual Works of Mercy and ways to live them, click [HERE](#).
